RETRACTABLE BARRIERS – SILVER AND RED

Simple in design yet effective in action, the Silver & Red Retractable Barrier Posts offer a versatile solution for crowd control and queuing needs, all while being cost-effective. Crafted from durable 0.8 gauge steel and powder-coated for longevity, these posts come with a 4-way red belt for visibility and ease of use. Whether you're managing queues, directing crowds, or restricting access, these posts are quick and simple to set up.

The extending nylon belt stretches up to 3 metres and features secure clips on both ends for attachment. These sleek silver posts with red retracting belts add a layer of luxury and opulence in various environments, keeping crowds charmed and controlled.

Each post comes with a heavy-duty base filled with concrete for stability, weighing a total of 7.5kg to ensure durability. The base is designed with a non-damaging surface to protect floors, and additionally, the nylon belt incorporates a tested braking cassette for safe and controlled retraction.

Product	Retractable Barrier Post – Silver & Red
Product Code	VP-RBP-S3R
H x W x D	860x330x70mm
Weight	7.86kg
Length	3 metre belt
Colour	Silver & Red
Material	Powder-coated 0.8 gauge steel with nylon belt
Carton Quantity	2
Carton Weight	17.04kg
Carton Dimensions	915x385x155mm
